# A Truly Unique Building

Harrogate's unique *kursaal* has been restored at a cost of £10.7 million, towards which the Royal Hall Restoration Trust contributed £2.7 million.

This magnificent building has now taken its place at the centre of the cultural, social and economic life of the local community. However, a final £50,000 is required to install a new star dressing room; improved stage acoustics and additional refinement of the Heritage Lounge.

Sponsorship of over 400 authentic period seats in the auditorium has so far raised invaluable funds towards the restoration. We now need the last 150 seats to be sponsored to finish the job.
