A Seat is Not Just for Christmas...

Harrogate's Royal Hall could be just the place to find that unusual gift

Edward Fox

A unique opportunity has arisen to share in this priceless part of our local and national heritage!

When Harrogate's majestic kursaal opened in 1903, the luxury seats in its glittering auditorium lasted for generations. Now that the Royal Hall is about to enter its second centenary in a wonderfully restored condition, a unique opportunity has arisen to share in this priceless part of our local and national heritage.

Ken Dodd

Approximately 350 brand new, state-of-the-art seats in the restored Grand Circle are being offered for 'sale'. The Royal Hall Restoration Trust is offering these authentic period seats for as little £300 which can be made in a single payment or paid over 12 months.

Each seat is an authentic reproduction of the original and will have an engraved plaque mounted on its back with a personal dedication from its sponsor. In addition, each sponsor will have their name permanently recorded in the Roll of Honour in the restored Royal Hall. A number of seats have already been named after well-known celebrities such as Ken Dodd, June Whitfield, Edward Fox, Cliff Richard, Andrew Lloyd-Webber and others still to come. Your seat will therefore be in good company!

Your own personal dedication can be for any one of a number of different reasons:

- As a fantastic Christmas present with a difference
- As a declaration of love to some one special
- To celebrate an anniversary or an achievement
- In memory of a loved one

A number of seats have already been named after well-known celebrities such as Ken Dodd, June Whitfield, Edward Fox, Cliff Richard, Andrew Lloyd-Webber and others still to come!

- To recall a special event such as a birth or retirement
- To thank someone
- To show your business believes in community involvement
- As your personal commitment towards our local and national heritage

Whatever the reason this is a present that will be treasured for generations to come.

Be different..... and make this a truly memorable Christmas
